

ICSIE 2020

--- Software and Information Engineering

Web: www.icsie.org/ / April 14-16, 2020 / Cairo, Egypt

Email: icsieconf@163.com

2020 9th International Conference on
Software and Information Engineering
(ICSIE 2020)

Date: April 14-16, 2020

Important Dates:

Paper Submission: **November 20, 2019**

Notification of Result: **December 10, 2019**

Registration Deadline: **December 30, 2019**

2020 9th International Conference on Software and Information Engineering (ICSIE 2020)

2020 9th International Conference on Software and Information Engineering (ICSIE 2020) will be held in **Cairo, Egypt** on **April 14-16, 2020** once again, co-organized by **The British University in Egypt**.

ICSIE 2020 will be held in **The British University in Egypt**.

All accepted and presented papers will be published in the conference proceedings by **ACM (978-1-4503-7721-8)**, which will be submitted for **Ei Compendex** and **Scopus** index.

ICSIE 2018 Conference Proceedings has been indexed by **Ei Compendex** and **Scopus**. ICSIE 2019 Conference Proceedings has been indexed by **Ei Compendex** and **Scopus**.

For more information about past ICSIE, please visit:

Call for Papers

Topics of interest for submission include, but are not limited to:

Agile, Aspect-oriented and Agent-oriented Software Engineering
Advanced agile software development
Green-oriented software engineering
Application Integration Technologies
Architectural Design and Frameworks
Big Data and Software Engineering
Empirical Software Engineering
Machine learning-oriented software
Mobile applications-oriented software
Internet-of-Things (IoT)-oriented software
Software for high speed data sensing
Software for smart cities and urban computation

Business Process Reengineering and Science
Business Process Management (BPM) and Engineering
Data and Process Mining
Delivery, Deployment and Maintenance of Service Systems
Knowledge Management and Engineering
Service Level Agreements (SLAs) and Quality of Service (QoS)
Lifelong Learning
Collaborative Learning
Computer Aided Language Learning (CALL)
Research in Engineering Pedagogy
Ethics and Engineering Education
Role of Public Policy in Engineering Education

For more topics, please visit: <http://www.icsie.org/cfp.html>
