

ICSIE 2021

2021 10th International Conference on Software and Information Engineering

November 12-14, 2021 | Cairo, Egypt

<http://www.icsie.org/>

We are glad to announce that the **2021 10th International Conference on Software and Information Engineering (ICSIE 2021)** which will be held **Cairo, Egypt** on **November 12-14, 2021**. It is co-organized by **The British University in Egypt, Egypt**.

Following the successes of the previous ICSIE conferences in Phuket(Thailand), Chennai(India), Singapore, Dubai(UAE), Tokyo(Japan), Singapore, and Cairo(Egypt) in the past 9 years, we invite authors to submit original research papers and original work-in-progress reports on software and information engineering. ICSIE will have a special focus on Software and Information Engineering, and seeks to address multidisciplinary challenges.

Publication

All submissions will be blind reviewed by the Program Committee on the basis of technical quality, relevance to conference topics of interest, originality, significance, and clarity. All accepted and presented papers will be published into **ICSIE 2021 conference proceedings**, which will be submitted for **Ei Compendex and Scopus**.

Submission

- 1.Full Paper (Presentation and Publication)
 - 2.Abstract (Presentation Only)
- Online submission system:
<http://www.easychair.org/conferences/?conf=icsie2021>
