

2023 12TH INTERNATIONAL CONFERENCE ON SOFTWARE AND INFORMATION ENGINEERING (ICSIE 2023)

Sharm El-Sheikh, Egypt | November 21-23, 2023

ABOUT ICSIE

ICSIE is initiated in 2012. It has been held in Phuket(Thailand), Chennai(India), Singapore, Dubai(UAE), Tokyo(Japan), Singapore, Cairo(Egypt) and virtual conferences in last 11 years. 2023 12th International Conference on Software and Information Engineering (ICSIE 2023) will be held in **Sharm El-Sheikh, Egypt during November 21-23, 2023**, sponsored by The British University in Egypt and King Salman International University, and hosted by King Salman International University. ICSIE 2023 will offer an extensive program of interest to academia and industry. It will include several distinguished keynote speakers and three conference days full of parallel sessions, Sharm El-Sheikh city visiting, etc. A series of exciting speeches to develop skills in and advance awareness of requirements engineering practices is of particular interest to industry.

SUBMISSION

Full papers (Presentation and Publication)

Accepted full papers will be invited to present their researches during the conference. After the conference, papers will be submitted for publication.

Paper Page Limit

Publication in Proceedings: **8 pages**, including all figures, tables, and references. Extra pages may be charged. (Any additional pages will incur an extra charge of USD50 per extra page, if it exceeds 8 pages)

Abstract (Presentation only)

Accepted abstracts will be included in the conference abstract book which will not be online or indexed.

online submission system: <https://www.zmeeting.org/submission/icsie2023>

CALL FOR PAPER

Authors are invited to submit full paper describing original research work in areas including, but are not limited to:

-Advances in Software Engineering Processes and Methodologies

Advanced agile software development
Green-oriented software engineering
Application Integration Technologies
Architectural Design and Frameworks

-Software Deployment, Operations and Reusability

Internet-of-Things (IoT) oriented software
Software for high speed data sensing
Software for data analytics and pervasive systems
Software for energy optimization

-Service Science and Information Engineering

Business Process Management (BPM) and Engineering
Delivery, Deployment and Maintenance of Service Systems Document
and Workflow Management
Knowledge Management and Engineering

-Computer Science and Engineering Education

Lifelong Learning
Interactive and Collaborative Learning
Mobile Learning Environments and Applications
Knowledge Management and Learning

IMPORTANT DATE

Submission Deadline: June 25, 2023

Acceptance Notification: July 20, 2023

Registration Deadline: August 5, 2023

PUBLICATION

All submissions will be blind reviewed by the Program Committee on the basis of technical quality, relevance to conference topics of interest, originality, significance, and clarity. All accepted and presented papers will be published in **ICSIE 2023 conference proceedings (ISBN: 979-8-4007-0810-7)**, which will be published in the International Conference Proceedings Series by ACM, archived in **ACM Digital Library**, and indexed by **El Compendex**, **Scopus**, and submitted to be reviewed by Thomson Reuters Conference Proceedings Citation Index (ISI Web of Science).
